Passenger Transport Information and Compliance Service

With regularly changing legislation, tightening safety regulations and increased enforcement it is vital that, whether you operate one vehicle or a large fleet, you ensure your operation complies with the laws governing the passenger transport industry.

The Passenger Transport Information and Compliance Service (PTICS) membership has been specifically designed for businesses that may run a small number of passenger carrying vehicles. The service is made up of a variety of comprehensive and easy-to-access components which will provide information and support on what you need to do to stay compliant and how and when you can achieve this.

As a member you will benefit from:

- ✓ the latest information to ensure you are kept up-to-date with changing transport regulations
- ✓ expert guidance and support to keep you compliant with the latest legislation
- ✓ best practice advice to help with the smooth running of your operation
- ✓ reduced costs through member-only discounts on an extensive range of products and services

All this is designed to save you time, increase your knowledge and help reduce the costs of your transport operation.
